IMPORTANT INFORMATION REGARDING SCHOOL UNIFORM

The nature of the school uniform and the manner in which it is worn sets a tone in our school. It also serves as a public relations exercise while our students travel to and from school. Therefore, it is important to check your child's school uniform and make sure that it fits your child correctly and that it is in good repair and clean.

Please review the list below, and make adjustments if necessary:

- Trousers that are too long cannot be rolled up at the hem.
- Trousers must be turned up and sewn, to fit the child that is wearing them and the cotton used must be grey.
- Holes in the knee of the trouser must either be repaired to a good standard of repair, or a new pair purchased.
- Shirt pockets must be stitched back into place if they come undone.
- Buttons must be sewn back on if they come off.
- Shoelaces must be the correct size for your child's shoe, and in good repair, so that your child can tie his/her shoelaces if necessary. Extra long shoelaces that become undone are very dangerous and represent a hazard. Equally short snapped laces that cannot be tied cause ill-fitting shoes.

- School shoes should be black lace-up school shoes, the suggested type of shoe is similar to the type manufactured by Clarkes. Suede or canvas type shoes are not classified as 'school shoes' and are not permitted. Velcro or buckle type shoes are permitted. It is highly recommended that your child's leather shoes be maintained by regular application of shoe polish. Black or Navy blue sandals (no socks) may also be worn in Term 1 and 4.
- Ties must be tied correctly with top button closed. We thank you for your cooperation in being supportive with the school's uniform policy
