

Padbury Catholic Primary School

Student Management Guidelines

RATIONALE

The theory underlining all aspects of the student management guidelines is fundamental to all practices of our school.

MISSION

Padbury Catholic Primary School is an education community committed to following in the footsteps of Jesus, living our motto 'Love One Another' (John 13:34)

VISION

Our Vision is to educate the whole child, Inspiring Hearts and Minds, to become faith-filled, creative, life-long learners through meaningful and innovative experiences.

VALUES

Our Vision comes to life through our core values which are inspired by the Gospels and our Mercy charism: Compassion; Service; Mercy; Justice; Dignity; Hospitality; Stewardship; Excellence

We strive to create an inclusive Christian community where the message, practice and values of Jesus Christ, as proclaimed in the Gospels, are given practical expression. In this community, the cooperation of each member is required in order to create the common good. Through the example of Jesus, it is important for reconciliation between parties to be a part of the Padbury Student Management Policy.

Any behaviour that seriously affect or endanger the well-being of the community need to be addressed with Christ-like compassion.

This Guideline needs to be read in conjunction with the School's Pastoral Care Policy and Dealing with Bullying and Harassment (Students) Policy as they are interrelated.

AIMS

Padbury Primary School endeavours to ensure all children accept responsibility for their education and behaviour, understanding that attitudes and behaviours have a natural consequence.

1. To foster an environment conducive to each individual student, teacher and parent to reach their potential.
2. To foster self-discipline and develop responsibility for one's own behaviour
3. To affirm respect of self, respect of others, respect of place and of property
4. To assist parents and caregivers in developing and maintaining their child's educational, physical and pastoral needs
5. To acknowledge the worth of all members of the community and their right to work and learn in a positive, harmonious, safe and supportive environment guided by the Gospel values.

GUIDELINES

CLASSROOM MANAGEMENT POLICY

All classes are to follow the standard school procedures for their Classroom Management Policy. Pre-Kindy, Kindergarten and Pre-Primary procedures may be modified in consultation with the Leadership Team.

Teachers to formulate classroom rules with their class so that students take ownership of the rules and are fully aware of the rules and positive and other consequences. Teachers need to teach classroom rules explicitly and regularly refer to the rules weekly. Parents need to be informed of the Classroom Management Policy at Parent Evenings. Teachers are to include information on their PowerPoint.

Staff are to follow the Bullying Guidelines regarding bullying behaviour (see Appendix III and IV). Action on Bullying supersedes the Classroom Management Policy in such instances.

In addition to playground, supervision and bullying rules the following core school rules will be adhered to at all times:

1. Everyone at Padbury Catholic Primary School has the right to learn, work and play in a supportive, secure and safe environment.
2. Respect yourself, adults and other children.
3. Respect your property, the property of others and of the school.
4. Abide by Padbury school/class rules at all times

Class rules:

Teachers to formulate rules with the students as a whole class and display rules within the classroom which reflects the school policy utilising a three-step system of behaviour management. This includes redirecting the student behaviour and allowing reflection time.

Positive consequences:

Positive attitudes or desired behaviours will be rewarded and celebrated.

Processes for encouraging the desired behaviour includes:

- Immediate social re-enforcement, such as praise, rewards, privileges e.g. free game computer time
- Stickers within the classroom
- Positive written comments
- Class reward time
- Letters/emails of praise to parents or verbal feedback
- Principal treasure box
- Merit Certificates issued at Assemblies

Individual, group and class positive consequences to be displayed in the classroom. These should encourage intrinsic motivation and relate to the school values.

Other Consequences:

Process for discouraging inappropriate attitudes or behaviour may include:

- Ongoing re-direction within the context of the lesson
- Individual discussion with the teacher away from the class lesson
- Specialist teachers to inform class teaches of inappropriate behavior

MINOR BEHAVIOUR INCIDENTS

Minor behaviour incidents can be managed at a classroom level following the teacher's preferred behaviour management system and individual classroom rules. Classroom rules operate under the umbrella of the whole school student management policy and both must be adhered to. (See Appendix 1)

CONSEQUENCES PROCESS

1. Issue the 1st warning and redirect the student to appropriate behaviours. Speak with the child privately about their behaviour before returning them to the group.
2. Issue 2nd warning, student will have time in/out age appropriately (maximum number of minutes of age i.e. 4 minutes for four year old, 7 minutes for 7 year old, etc.) and parents will be notified if deemed necessary or a regular occurrence. This should be entered into SEQTA Pastoral Care notes.
 - Time in - remove the child from a situation to stop their misbehaviour. During time-in, the teacher stays with the child until they are calm.
 - Time-out is when a child is removed from where the misbehavior happened. Time out can occur during class time (e.g. removal from activity) or at recess or lunch time (but not in the classroom). If students are in time out at recess or lunch, the class teacher must notify the duty teacher (if seated outside) or admin officer (if seated in the office) of these students to ensure they are supervised.
3. If behaviour continues after 2nd warning, teacher to involve Cluster Leader Assistant Principal. After discussion, parental involvement may be required. Case Management process may be initiated at this stage.

- Warnings are to be re-set each day.

**** Please note: students should not be kept in class during recess or lunch time for any reason e.g. to complete work, for time out, etc).***

SERIOUS INCIDENT PROCESS

Any behaviour that challenges the day to day running of the classroom or school and interferes with a positive and harmonious school environment. **(See Appendix 1)**

Major incidents of misbehaviour may include verbal, physical, social, psychological

1. Any major behaviour management incidents require the immediate involvement of the Cluster Assistant Principal. Notify your Cluster Leader in person, by phone or through the red card process.
 2. Staff are to write a detailed report of the incident, after interviewing victim, perpetrator and all witnesses/bystanders. Interviews must be completed on an individual basis. Upload to SEQTA.
 3. Staff member and Cluster Assistant Principal discuss and implement consequences.
 4. Follow up may include engagement in the Managing Student Concerns Process (Refer to Staff Handbook).
 5. Parent notified by phone by staff member or Cluster Assistant Principal.
- Please note that Students with a Disability may require modification to the above. Staff are to discuss with class teacher and Cluster Assistant Principal.

Red card process:

- Give red card to student in your class and ask to take immediately to front office.
- Front Office will notify Assistant Principal immediately of red card.
- Assistant Principal to action immediately.
