

## **Instrumental Program 2025**

Tuition during school hours is available on the following instruments in 2025.

Years 1 - 6                      Piano, Guitar, Voice, Drums, Flute – *from Yr 4*

If you would like your child to learn an instrument, please complete the Instrumental Program Tuition Agreement and return it to the office by the end of Week 3, 2025

The Instrumental Tutor will contact you with regard to lesson days, times and fees.

Please note that school fee payments must be up to date in order for your child to enrol in the instrumental program. It is also expected that the students will complete the work missed while they are attending their instrumental lesson, in their own time. Should the class teacher determine that your child's learning is being unduly affected, they will discuss this with you.

### **Terms and Conditions**

#### **Lessons**

Students will receive one lesson per week for 20 - 30 mins during school hours, on a rotating timetable.

Individual Lessons                      \$35 - \$42 per lesson (depending on the instrument)

#### **Payment of Tuition**

Instrumental fees are billed separately to School Fees; these must be up-to-date in order for your child to receive lessons. The tutors will provide you with an invoice for the term and advise when the payment is due. Payments are to be made promptly, directly to the tutor before the due date. The Tutors rely on the lesson fees for their income.

#### **Practice and Communication Book**

Each student will require a practice and communication book. This should be brought to each lesson so that the lesson details can be recorded by the tutor for the student to follow at home. The students should record their home practice in the book and parents may also use it as a means of communicating with the tutor. Tutors may also be contacted via email or mobile phone; it is important to build a strong partnership between the tutor and the parent to enable the child to succeed.

#### **Purchasing of Materials/Text**

Tutors will specify the books required for the student to learn. It is the responsibility of the Parent/Guardian to purchase these books as soon as possible. Tutors are aware of costs and try to keep requests at a minimum.

### **Withdrawal from Lessons**

Once lessons have commenced the enrolment is ongoing for the rest of the year. If you wish to withdraw your child from the Instrumental Program, it is required that you inform the instrumental teacher in writing by Week 8 of the current term.

### **Instruments**

Instruments are available to hire from a number of music stores in Perth. Please contact Mrs Twine if you require further details. If your child brings their own instrument to school, please be aware that it is not covered for theft or damage unless you have made provision for this in your own Home Contents Insurance Policy. It is advisable to check with your insurance company.

### **Practice**

The students need to be encouraged to commit to practise at least five days a week so that they make steady progress. The practice achieved should be recorded in the practice book.

### **Missed Lessons**

You will be charged for the lesson if it is missed due to illness, holiday or a school/class event and the teacher was not informed. It may be possible to reschedule the lesson, although this cannot be guaranteed.

### **Questions**

Any questions or concerns about the instrumental program in general should be directed to the Music Co-ordinator, Mrs Twine. Once lessons have commenced, please communicate directly with the tutors with regard to lesson content, progress, performance opportunities, exams and fee payment.

*\* Please note that commencement of tuition implies agreement with all conditions stated.*
