

STUDENT CODE OF CONDUCT

At Padbury Catholic Primary School we want to feel **Happy, Safe, Respected, Challenged and Encouraged** and **Welcomed and Included**.

- In order to feel **HAPPY** we will love one another and treat others how we would like to be treated. When someone isn't feeling happy we will comfort them and help them to feel happy again.
- In order to feel **SAFE** we will respect people's feelings and we will behave in a way that makes people feel comfortable. When someone isn't feeling this way we can talk to them and help by telling a trusted school adult.
- In order to feel **RESPECTED** we will show respect to others. We will accept and value people for who they are. We will listen to others and care for others and we acknowledge the rights of everyone. When someone isn't feeling respected we will listen to their views and remind them they are special.
- In order to feel **CHALLENGED AND ENCOURAGED** we won't give up and we will always try our best. When someone isn't feeling this way we will motivate and support them to keep trying.
- In order to feel **WELCOMED AND INCLUDED** we will come to school with an open heart. We will greet each other using our names and let everyone join in our games. We will keep an eye out for anyone who doesn't feel welcomed and included. We will comfort them, spend time with them and ask a school adult for help if needed.

By doing these things together we prevent bullying, harassment and other forms of peer-to-peer abuse: and we show respect for the privacy and human dignity of others.

My teachers have helped me understand our Student Code of Conduct, our Classroom Rules and the School Behaviour Guidelines.

I understand that it is my responsibility to do my part.
I will follow the Student Code of Conduct to the best of my ability and support others.
I am proud to be at Padbury Catholic Primary School.

Inspiring hearts and minds
